About ISAPP

The International Scientific Association of Probiotics and Prebiotics is a non-profit scientific organization dedicated to advancing the science of probiotics and prebiotics.

June 5 - June 6, 2018

“Key Scientific Drivers Behind Probiotic and Prebiotic Applications”

Join your peers at the ISAPP Conference for state-of-the-art science on probiotics and prebiotics. Hosting for the first time in Asia, ISAPP welcomes you to an open-registration two-day scientific conference.
