

INTERNATIONAL UPDATE ON ALLERGENS

Jointly organised by Singapore Society for Microbiology and Biotechnology and Chokim Scientific (S) Pte Ltd

Date	:	2 May 2017
Time	:	2pm – 5pm
Venue	:	NUS, Department of Microbiology MD4 Level 2 Conference Room 5 Science Drive 2 Singapore 117545

Mr Bob Artuso, International Sales Director for Asia Pacific Rim, has been with Neogen for 18 years. Throughout these 18 years, he has travelled extensively throughout the Asia Pacific region, keeping his finger on the pulse of Food Safety internationally.

Come join us as he shares on the health risks associated with major food allergens, major recalls related to food allergens and the key elements of an effective Allergen Management Control Plan in food manufacturing.

This seminar will cover topics such as:

- International food allergen standards and regulations and their impact on the industry.
- ASEAN Food Allergen Regulations
- Food Safety Modernization Act (FSMA) USA
- EU Food Information for Consumers Regulations) FSA, EPSA
- CODEX Alimentarius
- Comparison of Food Allergen Labelling Requirements
- Best practices for allergen management control
